

**Andrea Miller – CDG CARE**

CDG Care, USA

Andrea Miller is a committed CDG Advocate and Mother.

She has been involved with non-profit organizations since 2003 and has great expertise on the matter.

Moreover, since 2011 she has been working as a volunteer in the CDG cause. In 2014, with the goal of improving the impact on the CDG community, **Andrea created a new non-profit dedicated to CDG awareness and education - CDG CARE**. Since then, she has been presiding over the organization and dedicating her time to developing several strategic initiatives to improve the quality of life of CDG patients.
